

# Esther Swift

*Debut solo tour of New Zealand*

**26th January- 26th February 2018**

Esther is delighted to be embarking on her debut New Zealand tour in February 2018. Kicking things off at Auckland Folk Festival, she will travel from top to bottom of New Zealand, performing in a variety of intimate venues.

She writes songs about her homeland of Scotland, drawing on her folk roots and taking inspiration from nature and the people she meets along the way. An eclectic blend of jazz, folk, classical and everything in between Esther will share with you her stories and musical experiences from around the world.

Swift is one of the UK's most innovative and exciting contemporary harpists. In her composition, songwriting and performance she creates a music which is profound and

daringly vulnerable whilst drawing on influences which range from contemporary classical, alternative pop and the Scottish tradition.
